Led by the visionary Dr. Nimmy, our clinic is a canvas for you to showcase your skills, collaborate with experts, and impact lives through transformative skincare. Step into a world where growth knows no bounds, and your journey towards professional fulfillment begins with us.

JOB DESCRIPTION

Job Description:

As a member of the Nursing Staff at Dr. Nimmy's Skin Clinic, your primary responsibility will be to provide excellent patient care and support to the dermatology team. You will assist dermatologists during procedures, take vitals, and ensure patients are well-prepared and comfortable. Your role will involve wound care, patient education, and maintaining accurate medical records. Collaborating with other healthcare professionals and following safety protocols will be crucial to providing high-quality care.

Roles and Responsibilities:

- Cosmetic Procedure Assistance:** Assist dermatologists during cosmetic procedures such as laser treatments, injectables, and other aesthetic interventions.
- Preparation and Education:** Prepare patients for cosmetic procedures, explain the process, manage their expectations, and provide post-procedure care instructions.
- Follow-up Care:** Follow up with patients after cosmetic treatments, addressing any concerns they might have and monitoring their progress.
- Inventory Management:** Ensure availability of cosmetology-related supplies and equipment, and collaborate with the nursing team to maintain stock levels.
- Patient Support:** Provide emotional support to patients undergoing cosmetic procedures, addressing their questions and concerns.
- Documentation:** Maintain accurate and detailed records of cosmetic procedures, patient preferences, and outcomes.
- Continuing Education:** Stay updated with the latest cosmetic procedures, techniques, and safety protocols in the field of dermatology and cosmetology.
- Attire:** The nurse apron to be mandatorily worn at all times.

Qualifications and Education Requirements

- **NURSING DEGREE:** A VALID NURSING DEGREE (RN OR EQUIVALENT) FROM AN ACCREDITED INSTITUTION.
- **LICENSE:** ACTIVE NURSING LICENSE IN THE RELEVANT JURISDICTION.
- **CLINICAL EXPERIENCE:** PREVIOUS EXPERIENCE IN CLINICAL SETTINGS, WITH EXPOSURE TO DERMATOLOGY OR COSMETIC PROCEDURES.
- **UNDERSTANDING OF AESTHETICS:** BASIC UNDERSTANDING OF COSMETIC PROCEDURES, SKIN TREATMENTS, AND AESTHETIC ENHANCEMENTS.

Preferred Skills

- **Cosmetic Procedure Knowledge:** Familiarity with cosmetic procedures such as laser treatments, injectables, and aesthetic interventions.
- **Patient Education:** Ability to explain cosmetic procedures to patients, manage their expectations, and provide post-treatment guidance.
- **Detail-Oriented:** Precise record-keeping, attention to detail during procedures, and adherence to safety protocols.
- **Communication:** Effective communication skills to connect with patients, address their concerns, and provide emotional support.
